## Hall of Fame

## Wildcat Way

## Buy a Brick

## Buy A Brick

Purchase a personalized, engraved brick and leave a legacy that will be permanently set and prominently displayed in the Wildcat Way Walk at the Hardee Athletic Foundation Hall of Fame located at the entry to Wildcat Stadium. A great way to give a gift that lasts! Bricks will be added as purchased several times during the year. #W4L

### Championship Teams !

Reconnect with your teammates! Buy your individual brick and we will highlight your teams' title and year. The team brick and players' bricks below are an example of a district championship team placed in the walkway.

## Hardee Athletic Foundation

The Hardee Athletic Foundation is an organization whose purpose is to assist athletes in Hardee County. The foundation's goal is to help raise funding and provide support to Hardee County athletes. Hardee Athletic Foundation is a 501(c)(3) organization. HAF has contributed over \$262,000 in grant monies to Hardee County Athletes while also providing over \$71,000 in scholarships to Hardee County Student Athletes. HAF sponsors the HHS Athletic Academic Coach who provides academic support and helps register the athletes for ACT/SAT Tests and ACT/SAT Test Prep classes. A test prep specialist provides instruction for these classes. Each athlete receives their own test prep book. Classes are available for all high school athletes each semester. We help send individual athletes from all sports to camps to improve skills and provide opportunities for college coaches to see their potential. This opportunity coming from a rural high school with limited exposure is invaluable. We partner with athletics and donors to provide a funding mechanism to enhance an athletes experience on and off the field.
